

Mission of the Month

December 2019

Heifer International

Give a life-changing gift this holiday season and help a family out of hunger and poverty. Our December Mission of the Month is Heifer International, an organization that works in 21 countries around the world to end hunger and poverty in a sustainable way by supporting and investing alongside local farmers and their communities.

Your offering directed to “*Mission of the Month*” will go towards purchasing sheep for families in need. A gift of an animal is like giving someone a small business. The wool sheep provide is a valuable resource, providing warm clothing and blankets for those living in harsh environments. Extra wool can be sold to boost income. Sheep provide milk for hungry families. Entire communities depend on sheep for their livelihood. Sheep are adaptable and are able to survive nearly anywhere in the world. Each sheep costs \$120.

To learn more about Heifer International’s work, visit heifer.org

You are invited to the next formal meeting of the Church In Society committee that will be on January 8th at 7:45am at Java Moose. *We’d like others to join us!*
