

Mission of the Month

February 2019

GLOBAL HEALTH MINISTRIES

<https://www.ghm.org/>

Global Health Ministries:

Helping the hands that heal, is our focus for this month. GHM is an independent Lutheran ministry enhancing health care programs of Lutheran Churches in other countries. Your mission dollars this month will enhance the work at Phoebe and Curran Hospitals in Liberia, as well as Ngaoundere and Ngaobela hospitals in Cameroon and hospitals in more countries.

How does that happen? As in a typical shipment, last October 25 a 40 foot container was packed with supplies headed to hospitals and clinics connected with the Lutheran churches in Cameroon. In that 40' container were large sterilizers for two hospitals, 7 birthing beds, 60 hospital bed mattresses, three complete dental suites, plus extra supplies for new born and hospice kits, rolled bandages, quilts, wheelchairs, and more. Your donations help provide the costs of shipping these lifesaving and enhancing supplies. The supplies themselves are gathered by volunteers from American hospitals. This ministry recycles discarded medical supplies which are perfectly usable but our health system won't reuse. Your dollars are used in this efficient and helpful way. Use the envelopes in the pews, write Mission of the Month – GHM on your checks. For more information check out: www.ghm.org
