

Mission of the Month

June 2019

“God has shown you what is good; and what does the Lord require of you but to do justice, to love kindness, and to walk humbly with your God?”

Micah 6:8

Missions of the Month:

Lutheran Volunteer Corps

The June Mission-of-the-Month will support Lutheran Volunteer Corps during its 40th anniversary year. LVC supports opportunities for participants to engage in *"building community, working for justice, living simply and sustainably"* in Minneapolis/St. Paul and other placement cities throughout the country.

If interested in learning more about the organization, Libby Larson (a 2016 alumna of Lutheran Volunteer Corps) would be happy to share her experience serving with LVC in Wilmington, Delaware!

Kindly, Church in Society Committee

Mission and Values

The Lutheran Volunteer Corps is a community of faith uniting people to work for peace with justice.

As the Lutheran Volunteer Corps, our values are:

- **Simple and sustainable living** honors the abundant resources that God provides. These resources must be shared equitably so all can thrive.
- We are unique individuals, yet we are bound to each other. Living in **intentional community** creates the supportive space to engage in social justice, live sustainably, and explore meaning and vocation.
- **Exploring spirituality** in community promotes understanding of diverse beliefs and values.
- Our **journey to inclusive community** must confront racism and oppression through intentional and often uncomfortable personal and institutional transformation.
- **Social justice** compels us to strive for a peaceful world where basic human rights are met.
