

# Mission of the Month

## September 2019

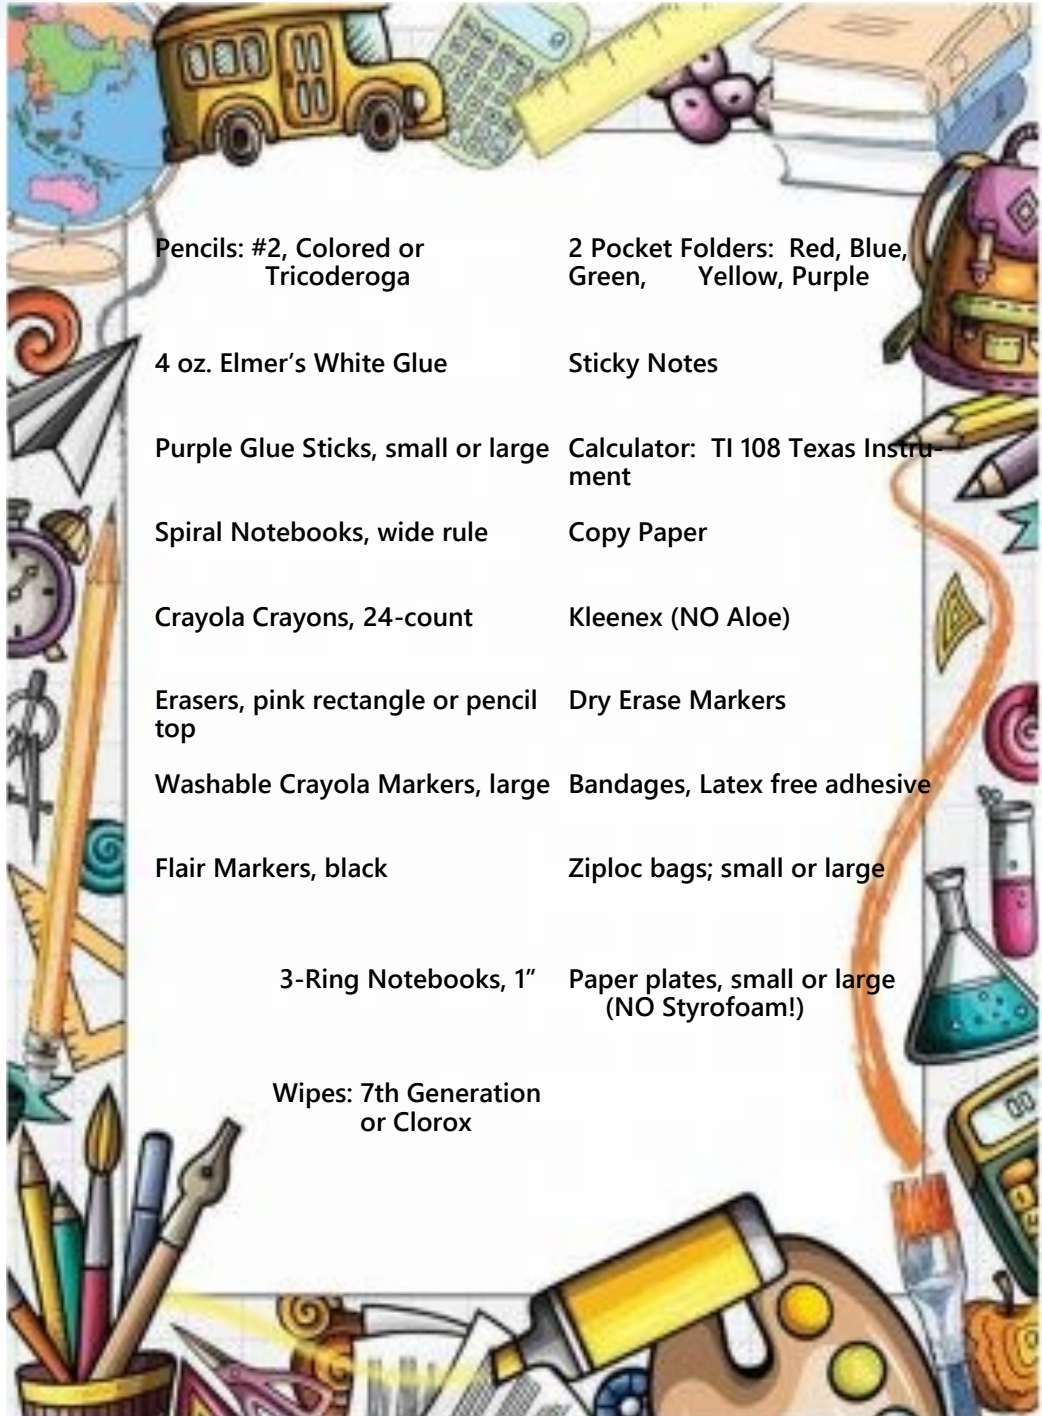

Our mission of the month for September will be Supporting Cook County Children with School Supplies. This will compliment the work that the HUB (Senior Center) has coordinated.

We are working with the schools regarding their needs and a list is printed below. All items must be NEW.

In addition to dropping off supplies in a designated area (before the end of Sept.): Financial contributions will support additional supplies.

Checks can be made out to Bethlehem with Mission of the month in the memo line. Funding can also be included in the offering envelope.
